WORLD MASTERS ATHLETICS CHAMPIONSHIPS INDOOR

Indoor World Athletics Championships Masters (WACM) are organized every two years. Only men and women who are over 35 years of age and who are medically fit can participate in the WACM Championship. The whole event will last 7 days, from 24 to 30 March 2019 and will take place in Poland, in the historic city of Toruń. With more than 4,000 players registered for the tournament, the largest ever registered for the International Indoor European Masters Championships (Masters). Toruń - European City of Culture and Sport in 2019 has already hosted a very successful European Masters Athletics Indoor on the same superb track in 2015.

Photos from this excellent, full of impressions and emotions, sports event will be presented in several digital e-books, which in the final stage will result in the creation of a printed photo album. The album will be available for ordering on my website dedicated to this event and on the official Camerapixo photogrpahy magazine website.

I cordially invite you,
Jacek Łabędzki
